No. R/13/1

Bangalore District
Dy. Commissr's Office
25th July 1879.

To
The Secretary to the
Chief Commissioner
of Mysore -
Revenue Deptt:-

Sir

Adverting to Para 14
of the Chief Commissioner's -:-
Pro: Dr. 579/R.64 of 19th May last,
I have the honor to submit
a proposition statement of the
revision of the Travellers' Bun-
galow Establishments in the
Bangalore District -

2. It will be observed
that the revision proposes
the reduction of 14 Cutwals at
a monthly cost of Rs 107; two
of these men are stationed

at Nagaur and Jaipur where there are no Bungalows; and though there are Bungalows where the remaining 12 are employed, their services are unnecessary as the other servants of the Bungalow Establishments can as well perform the work required of the Kutwals.

3. In view to the satisfactory working under the proposed revision, I beg to recommend the entertainment of 5 persons at Rs 5 per annum each, or at an outlay of Rs 25 for the purpose, showing a net saving on the whole of Rs 984 per annum.

4. The Kutwals' posts of Sikar and Khetri have been vacant since January last, but I have not filled them up, with this view of reduction.

5. Only 2 Kutwals have been retained, one in the Patta

of Bangalore, and the other in the Bungalow at Jungumkote, the former is indispensably necessary for the work of serving notices of Demand for Revenue Arrears; the enforcement of process of distraint, as well as attending to the numerous requisitions for bandies, coolies &c. and various other kinds of works; the services of the latter are retained as there is no other establishment for the Bungalow, with the exception of a sweeper maintained from the District Funds.

I have the honor to be
Sir
Your most Obt. Servant

L Ricketts
Dy. Commissioner

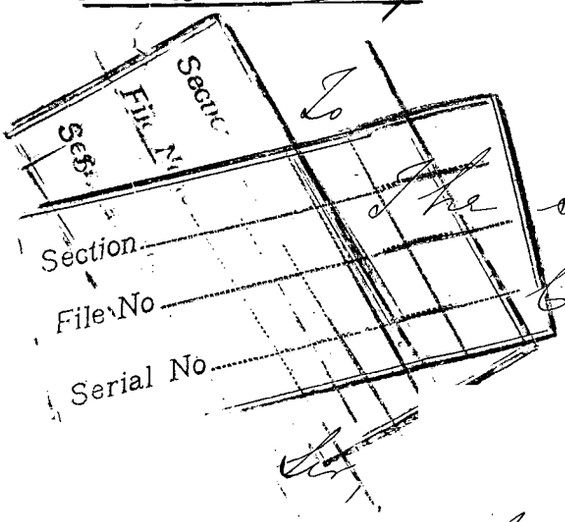
O. & B. No. 369



Tumkúr District
Deputy Commissioner's Office
Tumkúr 7th November 1879.

To
The Secretary to the
Chief Commissioner of Mysore
D. P. W.

15

I have the honor to request the favor of your instructions upon the following points.

(1) Whether an Officer travelling on public duty and not occupying a 1st or 2d Class Travellers' Bungalow, but pitching his Office tent in the Compound of such Bungalow, is liable to pay the prescribed fee 2. If he occupies the Bungalow and holds his Office in a tent pitched in the Bungalow Compound, is he liable to pay more than the prescribed fee 2.

(2) Has the permission for free occupation of 3d Class Bungalows for

for three days the public servants allowed by the Civil Commissioners Notification No 121 dated 14 February 1876 (P.P.H.) Gen withdrawn in Notification No 298 dated 13th December 1877 (General Department). I make this reference because the practice in these matters does not appear to be uniform in this District.

2. I beg also to bring to notice that native Officers as a rule do not occupy a Travellers Bungalow and not they sometimes find it convenient to pitch their Office tent in the Bungalow Compound, especially in localities where another eligible site may not be near at hand. If such occupation of the Bungalow Compound is charged for, it would perhaps be reasonable to charge an additional fee when an Officer both occupies the Bungalow, and

and has his Office tent in the
Compound

I have arranged the Bungalows on the several lines of Roads into 3 classes. The 1st four lines given herein are in the Mysdan and the rest in the Inland portion of the District. Of the Bungalows in the Mysdan I have treated those at Bainawar, Nadur, Tarikere & Chikmagalore as first class as being most important the one at Sankavery as 2nd class and the others as 3rd class. Considering the climate of the Inland and the great difficulty of getting linen and supplies &c, here I have ranked the Bungalows on the Road as 2nd class.

With reference to para 14 of the Chief Commissioner's Proceedings No. 579 dated 19th May 1[illegible] and subsequent reminder, I have the honour to submit a statement showing the present establishment of the 1st, 2nd & 3rd Class Bungalows in this District as also the establishment which I would propose to be maintained thereon.

2 It will be seen from the statement submitted that there are four 1st Class Bungalows five 2nd Class and twelve of 3rd Class in this District

3 The 1st Class Bungalows are those at Chitaldroog, Hiriyur, Harihara and Bomgondanhalli whose establishment is alike except at Chitaldroog where there is an extra [illegible] Considering that a 1st class Bungalow should have a Cook and a peon, a Mt. a waterman and a Sweeper I have therefore suggested that this establishment be kept up.

4 Of the above 4 Bungalows I Consider the Harihara and Hiriyur

Bungalows and no longer be kept as 1st class Bungalows as the Cost of keeping them as such is great, while they are less remunerative, particularly the latter. I would therefore recommend them to be reduced into 2nd class Bungalows.

5 Of the five 2nd class Bungalows I Consider that the one at Rampur should for the reasons above given be reduced to a 3rd class Bungalow. Then the district will have two 1st class, six 2nd class and Thirteen 3rd class Bungalows. The Establishment for the former I would suggest be the same as the 1st class Bungalow minus the Cutwall; and that for the latter be, only a waterman and a Sweeper.

6 You will see from the statement that the proposed alterations and reductions will create a saving of Rs:101 per mensem

7. The 3rd class Bungalows are maintained by the Local Funds and the Cost upon each of them is not great, while the 1st & 2nd Class Bungalows

Bungalows which are maintained out of the Imperial funds and which are remunerative must have the first establishment and such as to meet the requirements of the travellers; and what I have now proposed is what is actually necessary for them.

8. There are 5 Musafirkhanas now in the district and each of them has a Chaukidar employed, each of the Chaukidars on a salary varying from 2 to 4 Rupees. This I am of opinion requires consideration. The pay now given is too little and only such men are obtained for that pay who are incapable to do all that is required. Their pay should therefore in my opinion be raised to Rs4 per month and all paid equally. Some of our newly built Musafirkhanas have cost large sums and if better servants are not employed to look after them they will be neglected.

I have the honor to be,
Sir,
Your most obedient servant,
[illegible]
Deputy Commissioner.

The Revenue Secretary to
the Chief Commissioner of
Mysore

Sir,

With reference to your ct^o 57, 65-71 & 137 of 19th Ult: calling for a report on the revision of Cutwals or minor Establishments as per Chief Commissioner's Proceedings ct^o 5779 & 764 of 19th May 1879. I have the honor to report as follows:-

2. In my opinion Cutwals, Peons and Drudies are now no longer required to be maintained by Government while Mattes or some one to cook a meal are more required everywhere.

3. The classification of Bungalows considering the lines of road &c requires revision and I have accordingly made my suggestions on this point still however retaining 3 classes on account of furniture &c provided by Standard.

4 Only at 1st Class Bungalows would I maintain other Servants besides a Mattey; there should be a waterman and Sweeper each on 5 Rupees. The pay of all Mattes should be Rs 9 and a second one Rs 5 as at present be retained at Mysore. The pay of Mattes being raised they should be required to

make arrangements for supplying water &c to passing travellers or to provide if need be a village— when a more lengthened stay is made, travellers would have no objections to pay such in fact they generally do so now to the Government servants.

5- The Chamoondi and Nanjangud Residency Bungalows should have their Establishments maintained wholly by the Residency funds: ordinary travellers do not occupy them knowing they are not open to them. These are consequently omitted from the revised list.

6. The old Bungalow at Hoonsoor Lingarajchutter & Madoor are also omitted from the same, the former being opened as a Dispensary and the latter have been made over to the Railway authorities and these Departments should provide the necessary Establishments.

7 List A of the existing Establishments is submitted showing the sources whence funds are provided

Statement B shows proposed Establishments. Those of the Bungalows should wholly be paid from Provincial Funds. 2d & 3d Class from District Funds.

Statement C shows the abstract of existing and proposed cost of Establishments and the net saving proposed amounting to Rs 290-0-0 per mensem or Rs 3404-0-0

per number 37 I have the honor to be,

Sir

No. 507 MYSORE COMMISSION

Hapan District,
Deputy Commissioner's Office,
Dated Camp Hirishai 3d March/80.

To,

The Secretary to the
Chief Commissioner of Mysore,
Revenue Department.

Sir,

I have the honor to acknowledge the receipt of your docket No: 5465-71/137 of the 17th January last, drawing attention to para 14 of the Chief Commissioner's printed proceedings No: 579/R.604 dated the 19th May 1879, calling for an expression of opinion with regard to the revision of the establishment of Travellers Bungalows and the proposed reduction in the number of Kotwalls—.

2—. In former years the duties of these officials extended to the service of Summons in cases, but in recent years they are confined simply to attending to the wants of European Travellers who put up in Bungalows, and of Government Officials who require to be supplied with carts, post-bullocks and coolies—. In

Taluk Cutcherries their services might be utilized as Municipal Agencies.

3. In Her Majesty's Territory all the duties now appertaining to Peons are discharged by the village Patels on receipt of Rahadaries, and this course might be adopted in Mysore although roads frequented by few European travellers, such Patels receiving double remuneration of that ordinarily fixed for their services. A Peon is retained in charge of the buildings, his pay being met from a local fund formed by the Offices of the District; but travellers have to engage separately the services of a Waterman and Cooper to whom they pay usually 4 annas a day.

4. The assistance which has hitherto been given to travellers, has always formed such a marked characteristic of Mysore administration, and is so fully consistent with native ideas and the friendly feeling which His Highness the Maharajah entertained towards English gentlemen and settlers, that I consider it to be undesirable to dispense altogether with the establishment on the various lines of road.

5. I moved therefore propose to

abolish Kutwalls and Duftries at all 3rd Class Bungalows, and retain them for all the 1st Class Bungalows, and for those of the 2nd Class at Hirisavé on the Bangalore-Mangalore road, Arsikere on the Bangalore-Shimoga line, and at Belur and Attikuppa. The bungalows at the two latter places will become more used whenever the Railway is opened to the French-Rocks. The bungalow at Sakleshpur admits of being reduced from the 1st to the 2nd Class. The post of peon at 1st Class bungalows may also be abolished as unnecessary.

6- Besides, I would recommend the reduction of the Bungalows at Marehalli, Didigamahalli and Pallaya from the 2nd to the 3rd Class owing to the small number of travellers which put up at them. It would involve, as above proposed, the discharge of the Kutwalls, Dundies Mashalchis and watermen at these bungalows, and the expense of the Chowkeydars who would be retained will fall on the District Fund.

7- The remuneration given to the Kutwalls is now so low that they

are proper to recruit to reform and
promotion to supplement Mr. Durnford
therefore proposes that the rate of
pay of Pioneers at 1st Class Companies
be raised to Rs: 12, and that of 2nd
Class to Rs: 10 per diem —

8— The immediate saving to
Government in this District by the
adoption of these proposals will
amount to Rs: 1392 annually, as shown
in the appended statement Viz: Rs. 200, which may with propriety
devote the additional sum payable
to pioneers, and deducted
from their pay —

9— The men who may be thrown
out of employment by these reductions
may be used, if qualified, to have
the first claim to vacancies among
Sikhs, and others may be granted
gratuities according to length of service

I have the honor &c,
Sd,
Your most obedient servant.

The Secretary to the
Chief Commissioner of Mysore.
Revenue Department.

Sir,

With reference to your reminde
No 5465-71/137 dated 17th January last I
have the honor to submit a Statement
shewing the Kottali and Bangalo establish-
-ments of this district

2. I am of opinion that in the Bangalo
Establishment, the Métis and watermen of
the second class Bangaloes of Bendipúr,
Honnáli, Kumsi, Anenkipúr, Sagar and
Talguppé may be abolished. These servants
were intended for the convenience chiefly
of European travellers. But under the altered
circumstances of the Province and from
the fact that such European travellers
as may use these Bangaloes will
invariably bring their own private
servants, the necessity for maintain-
-ing this Establishment no longer exist.
All the bangaloes on the road from

Shimoga to Agumbe have already been reduced to the third class, although they are of the same superior design and structure as the bungalows on the Shimoga-Talaguppa road. The bungalows at Mandagadde and Sakrebail are not unfrequently visited by European Coffee planters, who come from Koppa &c to Shimoga on business or for medical treatment, and no inconvenience has, as far as I am aware, been felt by them from the absence therein of Mehtis and Watermen. I therefor consider that the second class bungalows on the Falls road at Lillemisc be reduced to third class and transfered to District Funds with the establishment only of a servant on Rs 4, to be called Sweeper and Waterman. The 2 Rupees rate enjoined by the Chief Commissioner in Orders No 4664 814 dated 8th December 1879 has been unsuccessful in attracting efficient men, especially in the Malnad Talukas

3. The Mehti and Waterman of the first Class bungalo at Shimoga may be retained, but the peon being

being superfluous may be reduced.

4. Among the third class bungalows those at Chennagiri, Shikarpur, Sorab, Anvatti, Nagar and Ramavalli are buildings of the old style inferior to some of the recently built Musafarkhanas. A sweeper for each of these will as at present suffice, to be paid Rs3 in the Maidan and Rs4 in the Malnad

5. As regards the Kotval establishment, I think that the Kotval and one Dandi instead of two, should be retained at Shimoga as it is the Head quarters of the District and without their services, it will not be possible to cater to the wants of travellers using the bungalo. The Kotval establishment in all the other places may be dispensed with, with the exception of Dandies in the following places:—

1. Benkipur
2. Honnali
3. Kumsi
4. Chennagiri
5. Shikarpur
6. Ananthpur
7. Sagar.
8. Talguppe
9. Jog or Falls
10. Kalur Katte
11. Mandagadde
12. Malur
13. Thirthalli
14. Agumbe

5. In view to the reduction now

proposed not being allowed to create inconvenience to travellers, it seems to me necessary that the Patels should be made to furnish supplies, and that the Dandias should be subordinated to them. The present practice is for the Kotwal or other Government Official to furnish supplies on credit to travellers, and to get paid afterwards. This causes much inconvenience and unavoidable oppression, as the Kotwals are obliged to seize the property of ryots &c. and here and there black mail is levied on a small scale. I need not say that such conduct is sternly repressed if discovered; but abuses of this kind do not always come to the knowledge of the higher Officers from a variety of reasons. It is therefor necessary, I submit, that a supplement should be made to the Rule to the effect that supplies should be paid for in advance when ordered.

6. A statement is enclosed showing the names of certain big villages in the Sorab, Honnali and Shimoga Taluks, the Patels of which have been allowed extra remuneration under Rule XII

J-

of the Rules for the permanent remuner-
ation of Patels and Shanbogs. There
are no Kotwals in the Sorab Taluk
and the necessity has been felt for
their existence in the Taluks in which
the Patels have been as above re-
-munerated With the help of a Dand
and with a little extra remuneration as
above, the Patel ought to be able to
supply travellers better than the Kot-
-wal, who is very often a stranger and
without any influence

My proposal in the Correspondence
† listed in the margin, Copy of which is
enclosed, to subsidize the Kodkani
Patel at the Gersappa Falls renders it
unnecessary to retain a Kotwal
there: but from the exceptional dif-
ficulties which attend the matter of
supplies there, a Dandi may be
allowed.

8 It may not be considered
mal à propos to state here that the
prevailing idea is that the Kotwal
and his satellite, the Dandi, are not
required to attend to the wants of
native travellers of whatever consequence

† From General Secretary No. 8376 dated 17th February 1880. P. 211

To Dc No 284 dated 26th February 1880.

I think this is wrong, and that travellers include natives also. It will be necessary therefor, I submit, that this principle should be authoritatively repeated. in order that the just wants of native gentleman travellers at least, should not be neglected by the establishment kept solely for the benefit of the travelling public in general.

9. The second class bangalos contain valuable cutlery and crockery, which it will be difficult to preserve with safety in the absence of men of the Meti class. Along with the question of abolishing these servants, it will have to be decided therefor whether the crockery &c. should be retained or not.

10. A statement is enclosed shewing the ____ bangalo and Hotel establishment as proposed shewing a net saving of Rs 224 per month.

I have the honor to be,

Official Memorandum

The accompanying petition No 6405 dated 2d October 1879 received at the Chief Commissioner's Office from Mancha, Patel of Kodkani in the Siddapur Taluk is forwarded to the Deputy Commissioner Shimoga to report the circumstances under which the allowance to the Kodkani Patel has been stopped

Dated 26th

No 284

Sir,

In returning the petition received with your memo No 8376/211 dated 17th instant, I have the honor to state that the allowance to the Kodkani Patel which was sanctioned in your

Office Camp No 44 dated 14th February 1873,
was discontinued as directed in the
Chief Commissioner's proceedings No 69-71/17
dated 15th April 1878.

2. The petitioners claim to the
continuance of the allowance is based
on his services being necessary for
supplies to visitors to the Falls.
There is a Kotwal and Dandi employed
by the Mysore Government, who how-
ever do not reside on the spot and
must be sent for if required from
a distant village

3. Considering the difficulty of
providing for the comforts of travellers
at the Falls, I think the petitioner
may be advantageously subsidized,
and if the present amount of Rs 5
is considered too much it may be
reduced to 3 Rupees At any rate
the village officials and people over
the border are under their protection
on this side of the line civilized
enough not to attend to the wants
of travellers without a special retention fee.

I have the honor to be

Your No. 54 of 13th Instant regarding Bungalow & Establishment on Bangalore Mysore Road—

Sir, I have the honor to inform that in my opinion the Kumbalgodi Bungalow might be pulled down altogether and the wood work which

is very Good teak wood) used for constructing Bungalows at Magadi, and on the Kankanhully road, where they are greatly required; otherwise I think the Bungalow might be reduced to 3rd Class.

2. Bidadu Bungalow should be retained as 2nd Class but the Kotwall is no longer required.

3 Closepett Bungalow might be reduced to 2nd Class, and the Kotwall and Dumdy removed

4. Channapatam Bungalow should be retained as 2nd Class but the Kotwall need not be retained

5. The establishment would then stand as per red figures in Statement showing a saving of Rupees 696

6. I would propose to increase the pay of the Dundies at Bidadee and Chennapatan to Rupees 5/-

7. If Kunnigode is retained as a 2nd Class Bungalow - a Maty Rs: 7 a Waterman Rs: 4 and a Toti on Rs: 4 should be employed

Sir

In submitting for orders, copy of my letter No 54 of the 13th April 1881, to the Executive Engineer Bangalore Division, regarding the reduction of Bungalow Establishments on the Bangalore Mysore Road, and of his reply No 37/116 of the 21st inst, I have the honor to state that the Kumbulgode Bungalow may be dismantled, as suggested

by the Executive Engineer, the materials be used in constructing Bungalows at Mapady and half way to Kanchanhally. With the dismantling of the Bungalow, the entire establishment, would be abolished.

2. At Biddady, I recommend 2 rooms and a verandah being retained for Circar travellers and officials and the rest of the Bungalow given over for the use of the Taluk Hobly School & that place, and the establishment reduced to one watchman and one Coly.

3. It is almost too soon to
